Chris,

Called but you were not available.

As you may know, Walter Mugdan advised Angela Licata yesterday that EPA wants to have a lawyer-level meeting regarding the timing and process of a potential eminent domain action in advance of the next Commissioner/RA level meeting.

Based on the City's presentation to the RA that acquisition is the quicker option, the City appears to have already performed an analysis of how this would occur. We would like to meet as soon as possible to get a more detailed understanding of the City's conclusion.

I am available Wednesday, Thursday or Friday of this week. I can also be available Monday, Tuesday or Wednesday of next week.

The meeting can be held at your offices if that helps.

I would expect the meeting to take about 60-90 minutes.

Please let me know what time works for you.

Thanks,

Brian E. Carr
